

Government Hydro Engineering College Bandla Bilaspur
Department of Civil Engineering

Office Note

Date: 25/02/25

RULES AND REGULATIONS TO ACCESS THE SPORTS EQUIPMENT & FACILITIES

The following rules and regulations must be obeyed by all the students to ensure smooth and proper conduct of sports activities in the college premises.

1. Students must carry their Institute Identity Card at all times.
2. A designated sports committee, authorized by the Director-cum-Principal, will oversee all sports activities. This committee will include the Officer-in-Charge (OIC) of Sports, faculty coordinators/members, and student representatives, including the Student President and other members.
3. Students must follow the instructions given by the designated authorities or committees.
4. Students participating in activities like badminton and table tennis must bring their own equipment, as the college will only provide these for special sports events or university-level competitions.
5. Any equipment issued to students by the concerned authorities must be returned within the stipulated period **i.e 10 days**. Failure to return it on time may result in penalties.
6. Any student involved in unlawful activities or violating institutional rules will be subject to disciplinary action.
7. Noise and disturbances should be avoided in designated areas for Badminton and Tennis.
8. Students should wear appropriate attire suitable for their respective activities.
9. Consumption of food, chewing gum, and beverages (except water) is strictly prohibited during activities/sports event within the Badminton Court and Table Tennis Hall.
10. These guidelines aim to maintain order and ensure the smooth conduct of sports activities within the college.
